

National Molecular Microbiology Diagnostics Users Group (NMG) Annual Fall Meeting

October 19-20, 2009

Exhibit and Industry Workshops General Information

Exhibits

- All exhibitors will have an 6' long draped table with 2 chairs
- Electrical outlets are not readily available (please contact Astrid Petrich to arrange if necessary)
- Exhibit tables are set up in the lobby area where refreshment breaks and meals occur, allowing opportunity for networking with conference delegates
- Industry representatives are entitled to access meal and refreshment functions with the conference delegates
- If there is anything that you would like to have inserted into conference delegates registration package (ie. handouts, pens, note pads, etc.) please contact Astrid Petrich (see address below). They will need to arrive at St. Joseph's by October 12, 2009.

Industry Workshops

- All industry workshop presentations will take place in the Miller Amphitheatre. A projector and laptop will be provided. Please have talks available during breakfast for morning sessions and lunch for afternoon sessions to load onto the laptop (see Astrid Petrich at the Reception Area).
- Provide a title, speaker name(s) and objectives for the talks (for CME credits) by **October 9, 2009**.
- Industry representatives are entitled to access meal and refreshment functions with the conference delegates
- If there is anything that you would like to have inserted into conference delegates registration package (ie. handouts, pens, note pads, etc.) please contact Astrid Petrich (see address below). They will need to arrive at St. Joseph's by October 12, 2007.
